

Power on

1. Power on the projector using the remote control.
2. Connect the tablet / PC / smartphone to the MK device's Wi-Fi network:
 - **Network: MK#_Service**
 - **Password: MK_Service**
3. Open a web browser and enter the following URL:
 - **192.168.12.1**
4. Navigate to the "Programs" section and select any content for playback.

Power Off

1. In the control interface, go to: **Menú → Settings → Standby.**
2. Power off the projector using the remote control.
3. Only disconnect from power for transportation to another location.
Before disconnecting from power, wait 3 minutes after powering off the projector.

 If connection fails, please disable phone data and all automatic connection to other Wi-Fi networks.
