

MK1 user guide

Power on

1. Power on the projector using the remote control.
2. Connect the tablet / smartphone / PC to the projector's WiFi network:
 - Network: **MK#**
 - Password: **broomxnet**
3. Open a web browser and enter the following URL:
 - **<http://broomx.control>**
4. Navigate to the "Sessions" section and select any content for playback.

Power off

1. Stop the content being played back, or navigate to: **Menú → Settings → Standby.**
2. Power off the projector using the remote control.
3. Only disconnect from power when transporting the projector to another location.

If the connection fails or is unstable, please disable phone data and all automatic connection to other WiFi networks.
